Clinical judgment development is a focus during the program to prepare you for safe nursing practice. Skills are important but the decisions nurses make every day are essential for managing safe client care.

Learn more about the Clinical Judgment Measurement Model developed by the National Council State Board of Nursing to measure clinical judgment on NCLEX®.

The following link will help you prepare for success on the NCLEX®. The National Council of State Board of Nursing created sample questions and exam previews to help you learn about the types of questions you will take on NCLEX®. The site also includes a 2023 Candidate Bulletin and other resources to help you register for NCLEX®. You can review the NCLEX test plan to understand what nursing programs cover to prepare students for safe nursing practice.
